OASIS Workshop. Food and Water Safety

21.04.2015 Forum Adlershof

OASIS Workshop:

The [OASIS](#) Workshop on Food and Water Safety will take place on the 21st of April in Berlin Adlershof ([Forum Adlershof](#)), one of the most successful high-tech locations in Germany. With more than 400 companies and ten non-university research institutes the Adlershof Science and Technology Park focuses on the fields of Photonics, Biotechnology and Environment, Renewable Energies and Photovoltaics, Microsystems and Materials and Analytics.

The Berlin Workshop will focus on how optical technologies can enhance and optimize food and water safety and will feature actors from SMEs and research institutes from the Berlin-Brandenburg region and the European Union.

The workshop aims to strengthen the communication between these actors to bring forth where innovations are needed and where new collaborations can be formed.

How to get there and accommodations:

Berlin features two airports: [Tegel airport \(TXL\)](#) and [Schönefeld airport \(SXF\)](#). While Tegel is located in Berlin's northwest, Schönefeld is in the southeast of Berlin - very close to Adlershof. Connections to the city center or Adlershof are found on the website of the [Berliner Verkehrsbetriebe \(BVG\)](#). The Workshop location itself, [Forum Adlershof](#), is located within a 7 min walk from S-Bahnhof/S-trainstation Adlershof.

Rooms (90 € per night with breakfast included) at [Dorint Hotel Adlershof](#) (3 min walk to workshop venue) have been reserved and can be booked with the keyword *OASIS*.

If lodging in the city center is preferred, recommandable hotels are the [Motel One Alexanderplatz](#) and [Park Inn by Radisson Berlin Alexanderplatz](#). Both are indicated in the map below.

Please click the following link for a map with all important locations:

[OASIS Workshop Berlin map](#)

Travel refund:

There is a possibility of partial refund of SME travel expenses from project partners.

For any questions, please contact your local OASIS representative:

OASIS Workshop. Food and Water Safety

21.04.2015 Forum Adlershof

Agenda:

09:45 – 10:00	Registration, Coffee
10:00 – 10:10	Welcome and Introduction F. Lerch, OpTecBB
10:10 – 10:20	OASIS Presentation M. Lhoutellier, Optitec
<hr/>	
10:20 – 11:00	Optical methods for high speed detection of organic contaminations K. Reineke, ATB Potsdam
11:00 – 11:20	Overview / analysis of freshness of meat, fruit O. Schlüter, ATB Potsdam
11:20 – 11:40	tba AJ Innoscreen and Fraunhofer IZI-BB
11:40 – 11:50	Non-invasive Optical Oxygen Measurements Using Microprobes E. Schmäzlin, Colibri Photonics
11:50 – 12:00	tba F. Schulte or A. Bocharnikov, art photonics GmbH
12:00 - 12:10	UVED for food inspection and product indication in plants A. Mahlkow, O.U.T. e.V.
12:10 – 12:30	Getting to know SMEs from the non-German partner regions
<hr/>	
12:30 – 13:30	Lunch
<hr/>	
13:30 – 13:50	Food Safety Concepts - Strategic controls along the supply chain U. Lampe, Analytica Alimentaria GmbH, Kleinmachnow
13:50 – 14:10	tba Anton Paar
14:10 – 14:50	Getting to know SMEs from the non-German partner regions
14:50 – 15:00	Discussion
<hr/>	
15:00 – 15:30	Coffee Break
<hr/>	
15:30 – 15:50	tba Berlin Centre of Competence for Water
15:50 – 16:10	tba Hille or Löhmannsröben, innoFSPEC Potsdam
16:10 – 16:30	OpTecBB Cooperation project PHOENIX
16:30 – 17:00	Wrap Up and Discussion
from 17:00	Visit of a facility / company (tba; WISTA)

Please note that the workshop agenda is *not* final and might still be modified.

Project Partners:

OASIS Workshop.Food and Water Safety

21.04.2015 Forum Adlershof

Registration

The participation in the OASIS Workshop on Food and Water Safety is completely free, but we kindly ask you to register under the following link for us to be able to better estimate the number of participants: [Registration](#)

Additional information

The Berlin OASIS Workshop is embedded in two other [OpTecBB](#) events to which all workshop participants are kindly invited. Details can be found [here](#).

- 20. April 2015: Conference of the OpTecBB activity field BioMed
- 22. April 2015: Presentation of OpTecBB members:
Leibniz-Institut für Analytische Wissenschaften ISAS e.V.
