ABOUT ME

I am a physics student eager to gain hands-on experience in the professional world. Outside of academics, I've always enjoyed staying active—playing football in my younger years and now focusing more on long-distance running. I also enjoy hiking and spending time in nature. Over the years, I've picked up various hobbies, including solving Rubik's cubes and playing board games, among others.

SOFT SKILLS

- Strong work ethic
- Commitment to excellence
- Attention to detail
- Reliability
- Sense of responsibility

SPOKEN LANGUAGES

- Catalan (Native)
- Spanish (Native)
- English (Advanced level)

EDUCATION

Bachelor's Degree in Physics

Universitat Autònoma de Barcelona (UAB), 2022–Present

- Currently in my third year
- Average grade: 8,39

Batxillerat

Institut Montserrat, Barcelona, 2020–2022

- Average grade: 9,72
- Selectivitat score: 12,992

AWARDS

- Matricula d'Honor upon graduating from Batxillerat
- Matricula d'Honor in the following university subjects:
 - Numerical Methods 1 (2nd year, 2023–2024)
